

## 7-Hour Crochet Soft Bassinet Blanket

This 7-Hour Crochet Soft Bassinet Blanket works up quick and is soft and comfy too. Just imagine a newborn snuggled in their bassinet sleeping soundly in something you lovingly made.

### Repeating Crochet Stitches

A wonderful project for both beginner and expert alike, this blanket has a repeating rhythm of stitches. Once you get beyond the first row, this pattern works up very quickly without much counting.

As you can see in the photo below, the stitches are a bit hard to see. That is why the first row is the hardest, but after that, the blanket works up very quickly.

First Row

When crocheting the **first row**, I **tugged a bit on the beginning chain stitches to see where to insert my crochet hook for the next set of stitches**. Make sure that you have good lighting for this first row. Once this row is complete, it is easy to see right where to insert your hook as it is between to double crochet stitches.

### **Tips on Working with Fluffy Yarn**

The first tip is to feel your way through the yarn. Once you do a few rounds you should be able to get a feel for where your crochet hook needs to go to achieve the stitches as you learn the new yarn and hook tension. Additionally, when first working with this yarn, it might be best to avoid dark colors. They are hard to see the stitches in anyway and the fluffy yarn, makes it even more difficult. Lastly, use a stitch that works with the yarn, not against it.

### **Special Stitch Pattern Used**

This pattern uses the Double Crochet V-Stitch. If you are not familiar with this stitch, no worries. The instructions are written

below and there is a video here on how to work this stitch. If you are beginner, you can do this.

Here is a left hand crochet tutorial for the stitch,

**Directions: 7-Hour Crochet Soft Bassinet Blanket**

**Gauge**

13 stitches per 4 inches.

**Size**

The finished size is approximately 22 inches wide X 25 inches long.

### **Varying the Size**

Make this crochet blanket wider or narrower by adding or subtracting stitches by 2. Add or reduce rows for altering the length.

### **Materials**

**Sprout Baby Soft Boucle 3 skeins or 360 yards**

**Candy Pink Baby Soft Boucle 3 skeins or 360 yards**

Size J Crochet Hook

Yarn Needle

Scissors

### **Abbreviations**

CH = Chain

DC = Double Crochet

SK = Skip

ST = Stitch

### **Directions:**

**Begin:** chain 60

## Row 1

In the 4th ST, complete 2 DC. [SK 1, 2 DC in next ST] Repeat across. End with a DC in last ST. Turn

## Row 2 – 43

CH 3, [2 DC between the previous row DCs] Repeat across. End with a DC in last ST. Turn

## Finishing

Weave in the yarn ends and cut off the excess yarn.

I hope that you have enjoyed this lovely crochet pattern.

XO
