

Simple Crochet Table Runner Pattern

Each square is made separately. Use them as coasters or find your favorite layout and join them together.

Skill Level

This crochet pattern is great for an advanced beginner. You should be able to complete a treble crochet stitch.

Gauge

18 single crochet every 4-inches. However, the gauge is not critical to this pattern.

Size

4 1/2 X 4 1/2 – inches square. Make as many as you want and arrange them in the design you prefer.

Materials

Patons Grace number 3 light weight yarn in Cardinal, Blush, Lotus, and Ginger. Approximately 50 yards of yarn total for each square.

Size H Crochet Hook

Tapestry Needle

Scissors

Abbreviations

CH = Chain

SC = Single Crochet

TR = Treble Crochet

SK = Skip

SP = Space

SL ST = Slip Stitch

ST = Stitch

STs = Stitches

[] = Repeat Between

Pattern Notes

This pattern is worked in a square.

This pattern starts with the magic circle or a chain 4 and a slip stitch into the first chain stitch to make a loop.

Find the [tutorial for the magic circle](#) in the crochet tutorials.

The first round is worked inside the beginning loop.

Chain 4 counts as a treble crochet.

This pattern can be made using a new color for each round or a solid color yarn.

Crochet Pattern Directions

Begin

Using the **Ginger color** yarn. Make a magic circle

Round 1

Work 12 SC inside the magic circle. Snug up the magic circle to form a smaller ring. Join with a SL ST into the first SC ST.

Round 2

I joined a new **color Cardinal**

If joining a new color, add the new color before starting this round.

[CH 4 (Counts as Treble Crochet). Work a TR in next 2 STs. CH 4 (counts as Treble Crochet). SL ST into the next ST]. Repeat between [] 3 more times. End with SL ST into first CH 1 SP.

If joining a new color, pull this yarn color through the loop and cut off the yarn leaving enough to weave in to secure.

Round 3

I joined a new **color Lotus**.

If joining a new color, add the new color to the 4th CH ST of the beginning CH 4 of the previous row.

If not joining a new color, SL ST into each of the 4 CH STs until you get to the 4th CH of the beginning CH STs of the previous row.

Continue with the pattern

[CH 4 (Counts as Treble Crochet). Work a TR in next 2 STs. CH 4 (counts as Treble Crochet). SL ST into the next ST. CH 4 (Counts as Treble Crochet), work 3 TR in the side of the CH 4 STs. SL ST into the 4th CH of the next CH 4 STs]. Repeat between [] 3 more times. End with a SL ST into the beginning ST.

Round 4

I joined a new **color Blush**

If joining a new color, add the new color to the 4th CH ST of the beginning CH 4 of the previous row.

If not joining a new color, SL ST into each of the 4 CH STs until you get to the 4th CH of the beginning CH STs of the previous row.

Continue with pattern

[CH 4 (Counts as Treble Crochet). Work TR in next 2 STs. CH 4 (counts as Treble Crochet). SL ST into the next ST. CH 4 (Counts as Treble Crochet), work 3 TR in the side of the CH 4 STs. SL ST into the 4th CH of the next CH 4 STs. CH 4 (Counts as Treble Crochet), work a TR in the next 3 STs. SL ST into the 4th CH of the next CH 4 STs]. Repeat between [] 3 more times. End with a SL ST into the beginning ST.

Finishing

Work a chain stitch, cut the yarn off leaving about a 12-inch tail. Draw the yarn through the chain stitch and pull snug. Use the yarn needle to weave in the yarn tail and snip off excess yarn.

Joining Crochet Squares

Arrange the squares until you find a placement that you like the look of for the table runner. Use the leftover yarn pieces to join.

I used a tapestry needle to join the coasters where they touch by just weaving the yarn back and forth. To get the yarn to the next spot, I just weaved the yarn through the crochet loops of the same color yarn until the next place where they joined.

Once all joined together, I weaved in the yarn end and removed the excess.

Video Tutorials

Here are video tutorials using different yarn colors on how to crochet this pattern.
