

## Scrappy Infinity Scarf Crochet Pattern

Make this scrappy infinity scarf crochet pattern using your leftover yarn from your other crochet projects. Use this open mesh stitch design to highlight the colors.

### Directions: Scrappy Infinity Scarf Crochet Pattern

#### Skill Level

Beginner. If you can chain stitch and complete the single crochet stitch, you are ready for this crochet pattern.

#### Gauge

20 Single Crochet every 4 inches

#### Size

7 ½ inches wide X 50 inches long.

This pattern is worked in multiples of 4 + 6. To change the width, increase or decrease the beginning chain stitch count by 4, then add 6 more stitches. Change the length by adding or decreasing the number of rows completed.

#### Materials

Patons Grace number 3 light weight yarn in Cardinal, Lotus, and Ginger.

**Reminder, this yarn is left over from another crochet project.** I will make the guesstimate of how much yarn was left for each color.

**Lotus** 25 yards

**Cardinal** 50-75 yards

**Ginger** 50 yards

Crochet Hook Size H (5.0 MM)

Yarn Needle

Scissors

### **Abbreviations**

CH = Chain

SK = Skip

SP = Space

ST = Stitch

STs= Stitches

[ ] = Repeat Between

### **Pattern Notes**

I used each yarn color until there was not enough to make another row. Then moved to the next color.

This crochet pattern is worked flat and joined with the very last row crocheted.

Turn at the end of each row.

Continue to repeat row 2 until the desired length.

### **Directions**

I started with the **Lotus** When that yarn ran out, I moved to another color and so on until I ran out of the leftover yarn.

## **Begin**

CH 36

## **Row 1**

In the 6<sup>th</sup> ST from the hook, insert hook and work a SC. [CH 5, SK 3 STs, SC in the 4<sup>th</sup> CH]. Repeat across between [ ]. End with a SC in the last stitch.

## **Row 2**

CH 5, SC in the first hole. [CH 5, SC in the next hole]. Repeat across between [ ]. End with a SC in the last hole SP.

### Rows 3 – 84

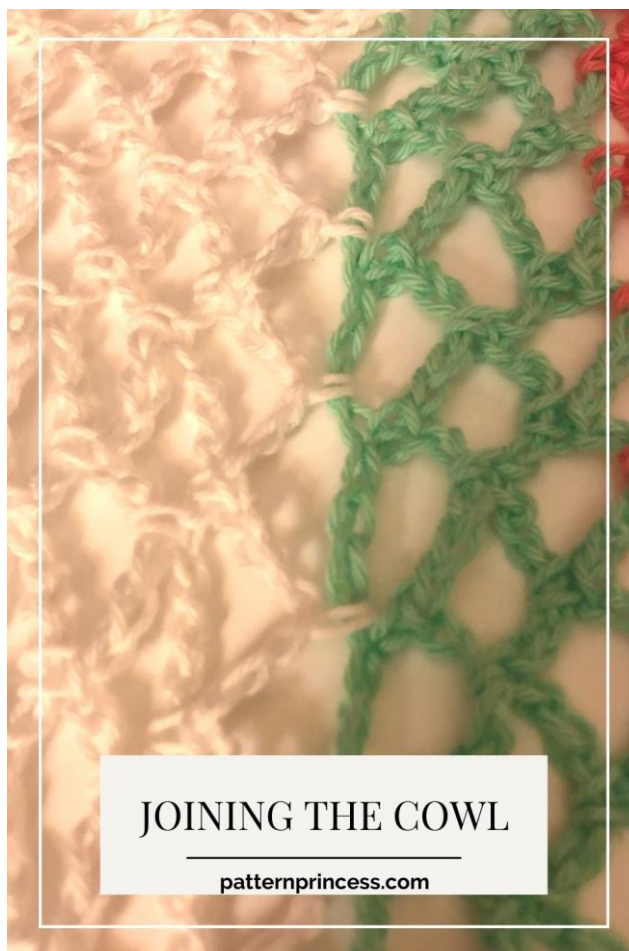

Repeat Row 2

### Row 85 – Joining the Infinity Cowl

**Note:** I ended on row 85 as I ran out of yarn. However, you can crochet as many rows you can make it with your leftover yarn, join the infinity scarf together in the last row.

CH 3, SC in the first hole of the opposite end of the scarf. CH 3 go back across to the next hole, SC. [CH 3, go across to the next hole, SC] repeat the rest of the row between [ ]. End with a SC in the last hole.

## Finishing

Weave in yarn ends and remove the excess.

We hope that you have enjoyed this lovely crochet pattern.
