Pattern Notes

- Written in US Crochet Terms.
- Turn at the end of each row.
- The last stitch at the end of the row is worked into the top chain of the chain three of the previous row.

Special Stitches Used

Two Double Crochet V-Stitch. This means you work two double crochet stitches, chain 1, and two double crochet stitches all in one stitch. Today, this becomes the Iris Stitch Cluster.

Begin

Begin by making a slip knot and adding a loop onto your hook. Make a starting chain of 91 STs.

Row 1

SK 4 STs. In the 5th CH from the hook, work (2 DC, CH 1, 2DC). [SK 3 STS, in the 4th CH ST work (2DC, CH 1, 2DC)]. Repeat

across between [] to the last 2 CH STs. Then SK 1 ST and work 1 DC into the last ST. Turn

Row 2

CH 3 (Counts as DC). SK 2 DC. In the CH SP of the row below, work (2DC, CH 1, 2DC). [SK to the next CH SP and work (2DC, CH 1, 2DC)]. Repeat across between []. End with 1 DC in the top CH ST of the previous row CH 3. Turn

Rows 3 through 89

Continue to repeat row 2.

Finishing

Cut the yarn leaving a 10-12 inch yarn tail. Pull through the last loop. Using your tapestry needle, weave the yarn back and forth through the crochet stitches. I like to do this 5 or 6 times. Then snip off any excess yarn.
