

Sweet Berry Continuous Granny Square Baby Blanket Pattern PDF

An easy continuous granny square baby blanket made with soft cotton yarn. Perfect for stroller rides, car seats, and cozy snuggles.

This is a simple and enjoyable pattern that's perfect for beginners. It's a great project for making a crochet baby blanket, car seat blanket, crib blanket, throw, or lapghan.

Great Pattern for Using Up Your Yarn Stash

Sometimes the best projects come from the yarn you already have on hand. This is one of those projects where you don't need to know exactly how much yarn you'll need ahead of time.

After finishing another blanket, I had two skeins of this beautiful cotton yarn left over and couldn't bear to let them sit in my stash waiting for the "perfect" project. Instead, I turned them into something sweet and useful.

Crochet Directions: Sweet Berry Continuous Granny Square Baby Blanket

Skill Level

Easy Pattern. Beginner-Friendly.

Gauge

Gauge is not critical for this project, but approximately 16 double crochet stitches over 4 inches.

Size

27 X 27 inches square.

<https://patternprincess.com>

You can change the size of the blanket by adding or decreasing rounds.

Materials

Frutta Yarn from Hobbii. It is a 100% Pima Cotton yarn with a #4 medium weight gauge. Each yarn cake has 229 yards. **Yarn color:** 04 Pink Flowers.

This baby blanket uses 2 yarn cakes or 458 yards.

Crochet Hook Size H, 5.0 mm hook

Scissors

Tapestry Needle

Tape Measure

Abbreviations

- CH = Chain
- DC = Double Crochet
- GR CL = Granny Cluster
- SC = Single Crochet
- SK = Skip
- SL ST = Slip Stitch
- SP = Space
- ST = Stitch
- STs = Stitches
- YO = Yarn Over
- [] = Repeat Between

Pattern Notes

Written in US Crochet Terminology.

This pattern is worked in the round.

Chain 3 counts as the first double crochet.

The corner space of a granny square normally has a ch-2 space or a ch-3 space between the two granny stitch clusters. **This blanket uses just a ch-1 space between.** I was looking for a smaller corner hole.

This blanket uses yarn that changes to different colors on its own. If you want to change colors each round, I recommend doing that in the corners where you start each round. Join the new yarn before working the starting chain-3 in the corner space.

To eliminate the seam that is often visible in granny squares, you will be working slip stitches to the corner to begin each round. This creates a lovely granny square with a finished look and no seam.

I did not turn each round. However, if you find that your square starts to get wonky and looks askew, turning your work after each round fixes that.

You can find **video tutorials of this pattern** below the written pattern.

Crochet Stitches

Double Crochet (DC). Yarn over, insert hook through both loops and pull up a loop. Next, yarn over and pull through two loops on the hook. Lastly, yarn over again and pull through the last two loops on the hook.

Granny Cluster, or shell. A granny cluster is a term for a special crochet stitch that consists of a set of 3 double crochet stitches, all worked into one stitch or space. The clusters are then separated from one another with chain stitches.

Single Crochet (SC). Insert the hook, pull up a loop. Yarn over and pull through the two loops on the hook.

[HOW TO CROCHET THE SINGLE CROCHET STITCH](#) video tutorial

Begin

You can start with a magic circle or a chain 4. Since this is a blanket that will get a lot of use, I started with the 4 chain stitches as it will provide extra stability.

CH 4, SL ST into the first CH ST to form a ring.

Round 1

For this round, you will be working inside the ring.

CH 3 (Counts as DC). 2 DC, CH 1 [3DC, CH 1]. Repeat between [] 2 times. SL ST into the top CH of the beginning CH 3 to close the round. You should have (4 DC granny clusters and 4 CH STs).

Round 2

SL ST into the next 2 STs and SL ST into the CH 1 SP. Work (CH 3, 2DC, CH 1, 3 DC) into the same CH 1 SP. (This creates the first corner). [CH 1, in the next CH 1 SP work (3 DC, CH 1, 3 DC)]. Repeat between [] 2 times. Join with a SL ST into the top CH 3. You should have (8 DC granny clusters, and 8 CH 1 SP).

Round 3

SL ST into the next 2 STs and SL ST into the CH 1 SP. Work (CH 3, 2DC, CH 1, 3 DC) into the same CH 1 SP. [CH 1, in the next CH 1 SP work (3 DC, CH 1). In the corner CH 1 SP work (3 DC, CH 1, 3 DC)]. Repeat between [] 2 times. CH 1. Join with a SL ST into the top CH 3. You should have (12 DC granny clusters, and 12 CH 1 SP).

Round 4

SL ST into the next 2 STs and SL ST into the CH 1 SP. Work (CH 3, 2DC, CH 1, 3 DC) into the same CH 1 SP. CH 1, in the next CH 1 SP work [(3 DC, CH 1)]. Repeat between [] to the corner. In the corner CH 1 SP work (3 DC, CH 1, 3 DC). Continue to repeat the side pattern and the corner patterns around joining with a SL ST into the top CH 3 to close each round. In this round you should have (16 DC granny clusters, and 16 CH 1 SP).

Rounds 5 through 22

Continue working Round 4 adding granny clusters and a chain stitch on each side to grow the size of the continuous granny blanket.

Crochet Border Pattern

Round 23

This is the final round, and it creates the border.

Turn. CH 1 (Doesn't count as a ST). In the CH 1 SP work (SC, DC, SC). [CH 1, SK the 3 DC STs, in the CH 1 SP work (SC, DC, SC)]. Repeat between [] around. End with a SL ST into the first SC ST.

Finishing

Use the tapestry needle to weave in the yarn tails on the back side of the work. I like to weave back and forth 3 to 5 times. Cut off the excess yarn.
